Floor Mat Lettering Styles

For Embroidered Mats

Embroidered letters are generally done smaller than inlaid letters and therefore are a better choice when more than 5 letters are used or when letters are used with logos.

Brush Script (upper & lower case letters & numbers)

ULTRA BLOCK (upper & lower case letters & numbers)

Easy Block (upper & lower case letters & numbers)

For Inlaid Mats

Inlaid letters are generally done larger and thicker than embroidered letters and therefore are a good choice when fewer than 6 letters are used.

4" SCRIPT (all upper case letters only - for initials only)

Limit: 2 or 3 initials per mat

3" STANDARD (all upper case letters & numbers)

Limit: 4 letters horizontally across mat & 7 letters diagonally (This may be less with smaller mats)

2" STANDARD (all upper case letters & numbers)

Limit: 6 letters horizontally across mat & 10 letters diagonally (This may be less with smaller mats)
